President's Message

Hello Friends:

The TOAA Member Show is upon us! I look forward to seeing everyone's new work at the Thousand Oaks Community Gallery from 2- 28 November 2023. Thank you to all of the volunteers and especially to Member Show Chair, Joan Sharron for leading the effort to put on a great show. 43 members entered 78 pieces in the show. I would love to see a large turnout of member, family and friends at our reception on Sunday 12 Nov 1-3 p.m. Your presence would honor our judge Michael Obermeyer's effort to judge our show despite living in Laguna Beach. Michael is the President of the California Art Club headquartered in Pasadena.

Once again TOAA participated in the Conejo Arts Jubilee on 14 Oct 2023 at the Hillcrest Center. It was an enjoyable event where we were entertained, fed and got to socialize and promote TOAA with the local music and visual arts community. Thanks to Barb Welch and the other volunteers who supported this event.

Our next social event is planned to be our **HOLIDAY PARTY** in early December. Details to follow in November via email and in the December 2023 newsletter.

Technique + Form Exhibition at The Galleria - Hillcrest Center for the Arts

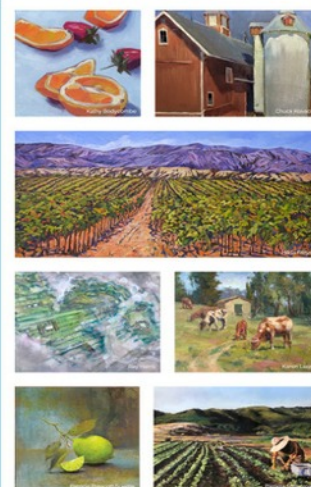

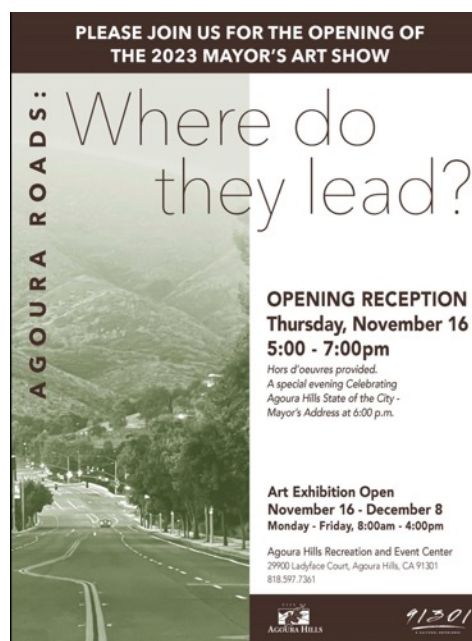

Artist Mimi Lieberman describes her process of the ancient art form of Felting, which originated approximately in 3500 B.C. She has adapted the traditional Wet and Dry Felting technique to design and create masterful portraits and imagery. At the Artist Reception for the "Technique + Form Exhibition" Mimi described her fascinating process inspiring the visitors.

The *Technique + Form Exhibition* examines how six different art forms and processes affect the outcome of the composition. Each artist has written a description of their process for each art piece, inviting you into their world of imagination and inspiration. Please stop by!

The show runs through January 9, 2024. Please contact Debra Sokolow, Exhibitions/ACCV for more information at accvvota@gmail.com

Liz Blum has this to share:

She's busy with two shows and our own member show
